

Road Show Announcement

Be the early bird to the latest scientific instruments
All are welcome

Date: 29th June, 2010 (Tue)

Time: 10:00am - 12:30pm, 1:30pm - 5:00pm

Venue: Room 1S02, Kadoorie Biological Sciences Building, The University of Hong Kong, Pokfulam Road, Hong Kong

[*You may click on the picture to access the manufacturer's website](#)

LabChip® GX
Advanced Nucleic Acid and Protein Separations System

PIXO™ Real-time PCR System
Small and efficient Real-time PCR System

Epoch Spectrophotometer
Monochromator-based Spectrophotometer designed for low volume measurement

Scanspeed Mini-microcentrifuge
Compact and high-speed microcentrifuge

ImageStream^x Imaging Flow Cytometer
Detect maximum 12 different dyes at the same time

Odyssey® Infrared Imaging System
Near-infrared assay for higher sensitivity and lower cost than chemiluminescence-based assay
