POWDER-FREE NITRILE EXAMINATION GLOVES

• STANDARD EXAMINATION GLOVE

Features & Benefits:

- Soft and durable nitrile formulation for improved elasticity and greater comfort
- Interior polymer coating makes glove easy to don
- 100% nitrile to alleviate the potential for adverse reactions associated with latex protein
- Textured fingers allow for reliable grip in wet and dry conditions
- Gradient dipping provides added protection where you need it most
- Exceeds all current and proposed FDA and EN/ISO standards assuring consistent quality in every box, every time
- EN 374-2, EN 374-3

Exceptional Comfort in a Tough Nitrile Glove.

Supreno® is a soft, comfortable nitrile examination glove formulated for superior strength and durability. More comfortable than nitriles of the past, true-fitting Supreno® won't fatigue hands over long periods of wear. Enhanced tactile sensitivity and textured fingers offer better gripping in wet and dry conditions. Interior polymer coating makes Supreno® easy to don. Online chlorination processing means more consistent quality in every box, every time.
